P.O. BOX 26931 MILWAUKEE, WISCONSIN 53226 414-462-3399

JANUARY 22ND, 2026

Dear Friends of the Preborn,

This past Sunday a large group of leftist anti-ICE individuals stormed into a church in St. Paul, Minnesota and disrupted the church service. Afterwards there were calls from Christians and conservatives to have them charged under the FACE Act.

The Freedom of Clinic Entrances (FACE) Act was signed into law by President Bill Clinton in 1994. (By the way, Missionaries to the Preborn was the first to violate the FACE Act anywhere in the nation right here in Milwaukee just two weeks after it was passed. A baby was spared a brutal death because of our interposition.)

The FACE Act outlaws barring entrance to abortion clinic entrances or disrupting their services in any way. BUT – the FACE Act also outlaws barring entrance to church entrances or disrupting their services in any way.

This reveals the religious nature of the FACE Act.

The FACE Act states plainly: “This Act prohibits the use or threat of force and physical obstruction that injures, intimidates, or interferes with a person seeking to obtain or provide reproductive health services or to exercise the First Amendment right of religious freedom at a place of religious worship.”

In other words – if you Christians will agree not to interfere with our religion of reproductive rights –we will not interfere with your religion at your church buildings.

You do not interfere with our services – and we will not interfere with your services.

This was one of the great compromises of Christianity in the history of the church.

The FACE Act revealed what was already known – that the American Church had decided to live in peaceful coexistence with baby-murder. The FACE Act wrote into statutory law the indifference to the preborn that the American Church already possessed. The FACE Act revealed the religion of both sides.

May we never embrace such indifference.

May we do right by Christ and neighbor. Our efforts continue out at the three deathcamps here in Milwaukee. Please pray for all our efforts on behalf of these little ones. Check out two upcoming efforts on the back of this page. Thank you for your support.
