JULY 30TH, 2024

Dear Friends of the Preborn,

Once again the preborn have been pushed to the back of the bus by the Republican Party.

At the Republican National Convention – held here in Milwaukee two weeks ago – the Party changed the platform by removing the goal of a Human Life Amendment to the Constitution and replacing it with the words – *“Republicans Will Protect and Defend a Vote of the People, from within the States, on the Issue of Life.”*

Understand, this means a total abandonment of what a Republic is by the Republican Party.

A Republic is founded upon law – the Republicans have now handed the preborn over to the mob – one group of people voting to murder another group of people.

Understand also – that every state so far that has held such a vote – the people have voted to murder the preborn. This is an abandonment of the rule of law. This is an abandonment of the preborn.

We must quit voting for the lesser of two evils.

Have you noticed over the decades that as we vote for the lesser of two evils, the lesser of two evils just keeps getting more evil? Now the lesser evil has gotten more evil again with this platform change.

I preached a sermon addressing this matter which is found in the box below. We must see repentance – and we must understand that repentance begins with honoring the law of God. We must quit voting for men who openly impugn the law of God.

We need to demonstrate fealty to the Lord. We must understand *compromise* with evil – *appeasement* of evil – will no longer do. We must not speak appeasement – we must point men to the law of God. [see the article on the next page]

Thank you so much for your continued support of our efforts as it is so needed.

May Christ be praised!

Pastor Matt Trewhella
