

# MISSIONARIES<sup>TO</sup> THE PREBORN

---

P.O. BOX 26931 MILWAUKEE, WISCONSIN 53226 414-462-3399

JANUARY 22ND, 2025

*Dear Friends of the Preborn,*

Missionaries to the Preborn continues to speak up for the preborn out on the streets at busy intersections, universities, and the deathcamps themselves. We also continue to speak up for them to the magistrates. Our efforts are important as their slaughter continues here in Wisconsin as it does in most all states in America.

Next month we will conduct our Spring Campus Tour. We will be hitting universities on the western side of our state and one in Minnesota. If you would like to participate, please contact us at 414-462-3399 or email us at [defendbabies@missionariestopreborn.com](mailto:defendbabies@missionariestopreborn.com). Your help is greatly needed. (see details on back of this page)

**If you are unable to participate at the universities, there are two ways you can help.**

First, remember this effort in prayer. You have no idea how important your prayers are to these endeavors. Satanic activity is present at times and the souls of men are in the balance.

Second, you can give so that others can minister. So often those who can set aside the time to minister have little resources financially. If you would like to help those participating, just note on your giving that it go to help them directly.

We will be sending you a brief report of our efforts after the Tour is complete. Please pray the Lord raises up men and women – young and old – for this effort. May our simple efforts cause no small stir! May Christ be praised!
