MAY 21ST, 2024

Dear Friends of the Preborn,

The preborn continue to be murdered here in Wisconsin even though Wisconsin Statute 940.04 declares it illegal under our homicide statutes.

Nationally – those who actually interpose for the preborn by placing their bodies non-violently and in prayer before the doors of the deathcamps are being persecuted by our federal government.

This past week – seven people have been sentenced to federal prison for peacefully and prayerfully placing their bodies between the helpless preborn and the abortionists by sitting in front of the doors of a deathcamp.

*Lauren Hardy was sentenced to 57 months in prison – almost five years.
Jonathan Darnell (a faithful brother and good friend of mine) to 34 months,
John Hinshaw was sentenced to 21 months, Will Goodman to 27 months,
Rosemary Geraghty to 27 months, Jean Marshall to 24 months,
and Joan Bell to 27 months.*

Please pray for all of these individuals. All of them are in prison at this time.

Hebrews 13:3 exhorts us – “Remember the prisoners as if chained with them—those who are mistreated—since you yourselves are in the body also.”

The hostility of the government against the preborn continues to grow as it also does among the general population. We saw this on our recent Campus Tour to Michigan. Huge hostility toward the preborn – the rebellion against Christ is deep. Yet – also - there is a nascent, growing hunger for Christ and the things of God that can be seen and felt amongst some of the students.

We have a short report about Michigan on the back of this page.

Those of you who sent support so that young people could participate were such a blessing to them and to us. Thank you SO much for your prayers and continued support!

May Christ be praised!

CAMPUS TOUR FOR THE PREBORN

MICHIGAN- APRIL 8TH-11TH

We are so thankful to the Lord that we had three beautiful weather days for the Michigan Campus Tour! The fourth day was rained out. The time of ministry was greatly blessed of the Lord. We ministered at Western Michigan University (where about 200 students gathered around us for hours); Michigan State University; and the University of Michigan.

We had a team of 26 people from Wisconsin - plus 4 to 10 local Michiganders came out to help us at each campus each day. We put out boatloads of lit, preached His law, Word, and gospel, had countless conversations and debates, and confronted this great evil. We also did a busy intersection each evening. Some pictures below. Please pray the Lord works mightily in the hearts of the students that we encountered in the days ahead.

May Christ be praised!
