

MISSIONARIES^{TO} THE PREBORN

P.O. BOX 26931 MILWAUKEE, WISCONSIN 53226 414-462-3399

NOVEMBER 25TH, 2023

Dear Friends of the Preborn,

Enclosed is our new piece of literature entitled ***THE TRUTH BEHIND: The Morning After Pill***. Please take time to read it. Over the last few months, we have put this piece out at the deathcamps, out at the busy intersections, and at the universities.

We also put them out at pharmacies like CVS, Walgreens, and Target where they sell this chemical device (in its various forms). These devices murder the preborn. The murder via these chemical devices has grown large over the last decade.

We must address this murder.

Read over our piece and please let us know what you think. We put references at the bottom of it to verify our assertions and give place for people to do further study of their own. This is important because the death community and their lap dog media and government cartel spread lots of misinformation on the internet about these devices.

If you would like copies for yourself, you can obtain them from us for five cents a piece – that's 20 pieces for a dollar, and that includes shipping. Order as many as you like.

Also – I would like you to know that 23 Christians are looking at up to **32 years in prison** each for simply prayerfully and peacefully interposing at the door of deathcamps in America.

The Biden DOJ is heading up this great evil.

Missionaries to the Preborn gave money to StifledCry.com to see videos, podcasts, and a documentary made which details what is happening. This is needed because, unfortunately, the conservative, and Christian, and prolife, and abolitionist media are ignoring these brothers and sisters. We will have more about this in our next mailing.

Finally, we pray you have a blessed Christmas with family and friends!

May the Lord grant us all strength to continue the fight for these helpless ones. Your giving to our efforts is a great help to us – and we cannot thank you enough.

Pastor Matt Trewhella

FINAL STREET DEMONSTRATION FOR THE PREBORN

Saturday, December 16th in Greenfield at the intersection of
S. 76th St. & W. Layton Ave. from 11:30 am to 1:00 pm

We will provide the signs and literature!

Below are pictures from when Missionaries to the Preborn gathered outside Planned Parenthood in Milwaukee the day they began murdering the preborn on September 18th.

Since then – many faithful Christians, including the missionaries, continue to minister and speak up for the little ones outside this Planned Parenthood deathcamp.
