

CHARLIE KIRK, TPUSA, AND HOMOSEX: A WARNING

BY: PASTOR MATT TREWHELLA

The following is the beginning of a sermon I preached on September 28th, 2025.

On September 10th – in a truly horrific act – Charlie Kirk was shot and killed. There is much speculation about who really shot Kirk. My sermon will not be about that.

At 2:12 pm September 10th I learned of the shooting and posted the following.

“Charlie Kirk shot in the neck. There has been a low-level civil war in our nation for about 6 years now - but grows. Praying for Charlie.”

And yes – there has been a low- level civil war going on in our nation. Assassinations, riots, lawlessness, upheaval. Left vs. Right.

I received some blowback from a handful of people who thought I had no right to make my post about praying for Charlie as I had spoken against some of his actions in the past. So I posted the next morning, September 11th, the following:

“Some people think I had no right to - or am even a hypocrite for - praying for Charlie Kirk and encouraging others to do the same after he was shot because I spoke against his actions in the past. Namely, that he put an open sodomite on stages across our state (Wisconsin) and gave him millions of dollars to get the vote out for the Republicans.

But I do not see how one precludes the other. If a brother has been shot, I am going to pray for him. If a brother is doing public wrong, I am going to speak against it and rebuke the actions. Both are right to do.

May we be faithful to Christ and abide by His Word. And yes – please pray for his family.”

And of course we pray for his family – it was horrific. Incredibly evil. It is absolutely heart-rending.

The following morning, September 12th, less than 48 hours after the shooting, I sent out an exhortation to our congregation, Mercy Seat. I later, about 1:00 pm that day, posted it to Facebook. Here is what I said:

“Dear Brothers and Sisters, all praise and honor unto our Lord and Savior, Jesus Christ! As you know by now - Charlie Kirk was assassinated in Utah two days ago.

I posted about his being shot on Facebook just 15 minutes after the shooting. I stated: Charlie Kirk shot in the neck. There has been a low-level civil war in our nation for about 6 years now - but grows. Praying for Charlie.”

I went on to say,

“Please do not get caught up in the left/right paradigm that has been and continues to be fomented. And understand there are many self-absorbed men who are using the current hoopla and virtue signaling for their own ends, to promote themselves and their organizations, and to fill their coffers with money.

Do not get caught up in the rewriting of who Charlie was -and the pronouncements of sainthood and near deification.

Understand the connection between TPUSA and the Republican Party. The Party changes the platform to be more baby-murder and homo friendly, while TPUSA brings Christians and others into the Party.

Yes, mourn for Charlie’s family. It is absolutely heart-rending. Pray for them. Appreciate the good things Charlie did say.

But understand - the nation sits under the just judgment of God. And the conservative-leaven pushed by Charlie and others will not change this nation. The need is repentance. And for the honoring of God’s law amongst men and the governments of men. Men must be pointed to Christ and His law and Word.

Let us be Christian men and women. Let us do right by men - but let us remember to do right by Christ.

The Lord has given us a plow here at Mercy Seat - a task to bring His law, Word, and Gospel to men and to the governments of men.

Let us continue faithful to Him. May the Lamb that was slain receive the reward of His suffering! - Pastor Matt”

I went on to say later in the sermon:

Do you understand what’s being done here?

Charlie Kirk and TPUSA have been normalizing homosex to conservatives and Christians for nearly a decade. Sending a confused message to our children and young people.

Homosex is against the law of God. As parent,s we speak against it, but then attend gatherings where homosexuals are platformed, honored, and applauded? We’re ok with that? Doesn’t that send mixed signals to our sons and daughters? Doesn’t that spit in the face of God and impugn His law and Word?

To see and hear my evidence for the assertion that Charlie Kirk and TPUSA were platforming homosexuals and normalizing homosex to Christians and conservatives, watch my sermon:
